Dear Sir:

This Amendment follows the Office Action dated November 26, 2002.

In the Claims

Please amend claims 1-24 as follows:

- A1
1. (Once Amended) A laser pointer for use as an aid in the visual presentation of information comprising a plurality of laser elements capable of emitting beams of visible light, at least two of said laser elements emitting light at different frequencies, additionally comprising a battery and a electrical switching circuit, wherein said device weighs no more than 450 grams.
 2. (Once Amended) A laser pointer for use as an aid in the visual presentation of information comprising a plurality of laser elements capable of emitting beams of visible light, at least two of said laser elements emitting light at different frequencies, wherein at least one of said laser elements is a laser diode.
